

our efforts to bring justice to the victims of Fidel Castro's totalitarian regime in Cuba.

Well, while they are at it, why don't they just impose visa requirements on our NATO soldiers stationed across Europe. And our soldiers deployed in Bosnia, too.

Mr. Speaker, if that's the game the Europeans want to play, we'll be glad to bring our troops home and let the Europeans foot the cost of keeping peace on their continent.

Mr. Speaker, the Europeans should know that many Americans are fed up with having to clean up other people's messes in places like Bosnia, and paying for it in American lives and billions of dollars.

Now I take a back seat to no one in desiring to maintain strong relations with our European allies, Mr. Speaker. But enough is enough. If the Europeans want to continue to prop up Fidel Castro and then turn around and thumb their noses at us, they had better know that they can expect a reaction from the American people.

#### DIOCESE OF GAYLORD SILVER ANNIVERSARY

HON. BART STUPAK

OF MICHIGAN

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 18, 1996*

Mr. STUPAK. Mr. Speaker, I would like to bring to the attention to this House and the entire Nation the 25th anniversary of the Roman Catholic Diocese of Gaylord, MI. His Holiness, Pope Paul VI, established the Gaylord Diocese on July 20, 1971. On July 21, 1996 a special liturgical celebration will be held at the Cathedral of St. Mary Our Lady of Mount Carmel to commemorate the establishment of this diocese.

The Diocese of Gaylord was created from the separation of territories originally part of the Saginaw and Grand Rapids Dioceses. The new diocese covered 21 of the most beautiful counties in northern Michigan. In 1971 the diocese had a total population of 288,556 and a Roman Catholic population of 66,000. At the age of 43, Edmund Szoka from the Diocese of Marquette became the youngest bishop in the Nation. With 83 parishes under his charge, Bishop Szoka embraced the motto "To Live in Faith." Through many hours of hard work and cooperation with the residing priests and congregations Bishop Szoka was able to bring the separate parishes together in love, prayer and community. Bishop Szoka stayed with the Diocese of Gaylord for 10 years. In 1981 he left the area for new assignments. When asked about the silver anniversary, Edmund Szoka, now a cardinal, said that even though he left 15 years ago "a great part of [his] heart remains and always will remain in the Diocese of Gaylord."

When Cardinal Szoka left the Diocese he was replaced by Bishop Robert Rose. Bishop Rose served the diocese for 8 years before moving south to the Grand Rapids' Diocese. The current bishop, Patrick Cooney, was installed in the Diocese of Gaylord as the third bishop on January 28, 1990. The oldest child of a very religious family, Bishop Cooney has spent his life learning the way of and serving

the Lord. Bishop Cooney attended the Sacred Heart Seminary College of Detroit and the Gregorian University in Rome, studying philosophy and theology. After returning to Detroit from Rome Bishop Cooney decided to pursue his love for liturgy and entered the University of Notre Dame to pursue a graduate degree in liturgical research.

Under Bishop Cooney's care, the diocese has grown stronger through the hard work and dedication of the priests, nuns, secretariats, and most importantly, the lay members. We see the formation of the first Diocesan Pastoral Council in 1993 as an example of this dedication. Made up of clergy, religious, lay men and women from all over the Diocese, the council meets with the Bishop several times a year to discuss issues affecting the Church. Today the Diocese of Gaylord has grown to include 87,000 Roman Catholics, 75 priests, and 82 parishes. On October 5, 1996, the Fifth Annual Diocesan Conference will be held with the theme "Remember and Remembering" to discuss ways to strengthen the church by involving members who have slipped away and by introducing the church to new members. Following the conference there will be a youth rally. The goal of the rally, at which 350 teens are expected, is to strengthen the membership of a younger generation to keep the church strong in the future.

On July 21, 1996, the Diocesan Liturgical Celebration will be held at St. Mary Cathedral in Gaylord. Among those attending will be Cardinal Szoka and Bishop Rose, the Apostolic Pro-Nuncio to the United States, Agostino Cacciavillan, Cardinal Adam Maida of the Archdiocese of Detroit, a number of bishops and priests from Michigan and Ohio and nearly 2,000 members from the 82 parishes invited.

Mr. Speaker, the last 25 years have been a time for growth and discovery for the Diocese of Gaylord. The clergy and congregations of the 82 parishes in northern Michigan have come together to make this new diocese a place of prayer, hope, and faith. The diocese has come to be a community in which love and fellowship is witnessed on a daily basis. Mr. Speaker, on behalf of the Catholic community and the entire Nation, I would like to congratulate the Diocese of Gaylord on 25 glorious years.

#### A TRIBUTE TO WILLIAM STATES LEE

HON. SUE MYRICK

OF NORTH CAROLINA

IN THE HOUSE OF REPRESENTATIVES

*Thursday, July 18, 1996*

Mrs. MYRICK. Mr. Speaker, I rise today to pay tribute to an old friend and outstanding hero of North Carolina who passed away last week. William "Bill" States Lee was a model citizen who continually gave of himself for his country, community, friends, and family.

Bill Lee was the former chairman and chief executive officer of the Duke Power Co. based in Charlotte, NC. A native of Charlotte and the grandson of Duke Power's first engineer, Bill joined Duke Power in 1955 as a junior designer. He worked his way up through the ranks and, in 1982, he became chairman and

chief executive officer. In 1989, he was named chairman and president of Duke Power. Upon his retirement in 1994, Bill Lee became Duke Power's first chairman emeritus.

Bill Lee was best known professionally for his work in the field of nuclear power. He was the former chairman of the board of the Institute of Nuclear Power Operations. He was also a catalyst in the founding of the World Association of Nuclear Operators, where he was named its first president in May 1989. The Charlotte Observer referred to Bill as "perhaps the foremost international consultant in, and statesman and diplomat for, the nuclear power industry."

Prior to his service to Duke Power, Bill graduated from Princeton University as Phi Beta Kappa and magna cum laude in civil engineering. He served in the U.S. Navy Civil Engineering Corp from 1951 to 1955, attaining the rank of lieutenant commander. Also, Bill received honorary doctorates from the University of South Carolina, the University of North Carolina at Charlotte, Johnson C. Smith University, Davidson College, and Clemson University.

Despite Bill Lee's many professional accomplishments, he also made a powerful contribution to the Charlotte community. A family man, with his wife Jan and their three children, Bill was an elder at Myers Park Presbyterian Church in Charlotte, where he even found time to teach Sunday school. He also served as a trustee to the Harris Foundation, the North Carolina Blumenthal Performing Arts Center at Charlotte Foundation, the Presbyterian Hospital Foundation, Queens College, and the conference board at the University of North Carolina at Charlotte Foundation.

I would also like to add that I lost a close and dear friend. Bill Lee's humor and charm were contagious to everybody around him. He was also one of the most giving people I have ever met. During my tenure as mayor of Charlotte, he was one of the people who helped our community recover from the disaster of Hurricane Hugo. On behalf of all of the millions of people whose lives are better because of Bill Lee's work, I extend my deepest sympathies to his wife Jan, and his entire family.

Finally, I have taken the liberty of attaching a poem that Bill's daughter, Lisa Lee-Morgan, wrote for her father and read at his funeral. Bill, we will miss you.

#### STAR-SPANGLED MAN

Star-spangled man, nor mere planet  
But a sun, a body fused  
By Proteus. Self-generating source of power,  
Shining light, hour on hour.  
Rush! wind, water, coal and coil,  
Quick! Split the atom, fuse the soil,  
Don't ever stop, embrace the toil,  
Christ-man, His disciple loyal.

Blue eyes blazed like shooting stars  
Beneath the lightening brows of Zeus  
They let us know we'd his attention,  
(For better or worse I'll mention)  
Lover, hunter, father, friend,  
Bully, preacher, Charlotte's kin.  
Forgive us for we know not how  
To tread the step he's led til now.

This warrior stood to lead the fight  
Against the dying of the light.  
The closing mind, the fading hope,  
The grasping hand, could find no grope  
In Bill Lee's camp, upon the lake  
Where children frolic, swim and play.  
He was our star, bright gravity  
Round whom we danced til God took Lee.
